*   **Type of organisation**
Choose one of the following answers

Research organisation

University

Higher or secondary education

Commercial enterprise, non SME

SME

Public organisation

Private non profit organisation

Other (please specify)

*   **Sector**
Choose one of the following answers

Agriculture

Automotive & transport

Cement

Ceramics

Chemicals

Construction

Electrical machinery and equipment

Electronics

Energy

Engineering

Food

Industrial processing machinery

Minerals and ores

Non-ferrous metals

Pulp and paper

Rubber & plastics products

Steel

Textiles
Water

Wood

Other (please specify)

*   Country

Choose one of the following answers

*   On behalf of whom are you completing this questionnaire?

Choose one of the following answers

Personal
Employer
Sector

*   How would you rate the overall SPIRE vision to contribute to the challenges listed in the EUROPE 2020 strategy?

o 1   o 2   o 3   o 4   o 5

Rate 1 very low contribution, 5 very high contribution

*   Please provide comments to illustrate your rating (maximum 650 characters including spaces)

*   How well does SPIRE address the sustainability R&D&I interests of the process industry?

o 1   o 2   o 3   o 4   o 5

Rate 1 very low contribution, 5 very high contribution

*   Please provide comments to illustrate your rating (maximum 650 characters including spaces)

*   Will SPIRE bring added value to sustainable innovation in your sector?

o 1   o 2   o 3   o 4   o 5

Rate 1 very low contribution, 5 very high contribution.

*   Please provide comments to illustrate your rating (maximum 650 characters including spaces)

*   How would you rate the balance in SPIRE between:

Research – Development – Innovation efforts   ○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Short – Medium – Long impact   ○ 1   ○ 2   ○ 3   ○ 4   ○ 5

The 5 key components (feed, process,
applications, waste2resource, horizontal)   ○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Rate 1 very poor balance, 5 very well balanced.

*   Please provide comments to illustrate your rating (maximum 650 characters including spaces)

*   Are the SPIRE targets both ambitious and realistic?

○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Rate 1 very poor, 5 very high

*   Please provide comments to illustrate your rating (maximum 650 characters including spaces)

*   How do you rate the content for the Key Component 'feed' (SPIRE Roadmap, Part 2, page 23)?

○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Rate 1 very poor, 5 very high

*   Please provide comments to illustrate your rating (maximum 650 characters including spaces)

SPIRE Sustainable Process Industry through
Resource and Energy Efficiency

* **How do you rate the content for the Key Component 'process' (SPIRE Roadmap, Part 2, page 32)?**

○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Rate 1 very poor, 5 very high

* **Please provide comments to illustrate your rating (maximum 650 characters including spaces)**

* **How do you rate the content for the Key Component 'applications' (SPIRE Roadmap, Part 2, page 37)?**

○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Rate 1 very poor, 5 very high

* **Please provide comments to illustrate your rating (maximum 650 characters including spaces)**

* **How do you rate the content for the Key Component 'waste2resource' (SPIRE Roadmap, Part 2, page 40)?**

○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Rate 1 very poor, 5 very high

* **Please provide comments to illustrate your rating (maximum 650 characters including spaces)**

* **How do you rate the content for the Key Component 'horizontal' (SPIRE Roadmap, Part 2, page 46)?**

○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Rate 1 very poor, 5 very high

* **Please provide comments to illustrate your rating (maximum 650 characters including spaces)**

* **How do you rate the content for the Key Component 'outreach' (SPIRE Roadmap, Part 2, page 49)?**

○ 1   ○ 2   ○ 3   ○ 4   ○ 5

Rate 1 very poor, 5 very high

* **Please provide comments to illustrate your rating (maximum 650 characters including spaces)**
